SUBJECT.

File relating to the prayer of one Sri Rama Jo for the grant of 4 gunlas of seed cost for the construction of a yoga mantapa on Babee between Bhimma Kurli and Kannambadi in the Krishna Rajapeta Taluk

PREVIOUS REFERENCES	LATER REFERENCES

Submitted to His Highness.

/

One Srirama Yogiswara wishes to build a Yoga-Mantap on Babee Betta between Chinkurli and Kunnambadi in the Krishnarajpete Taluk and wants an extent of four guntas of land for the purpose. He also wants the path-ways to Thirthas to be kept open. An annual car-festival of Siddeswaraswamy is also to be celebrated, and permission is sought for people and cattle to congregate on the hill, on the occasion of this festival, when a large number is expected to assemble.

The lands in question are pasture lands belonging to the Palace, but the extent required for a Yoga-Mantap, viz., 4 guntas, is so small that if His Highness is pleased, permission to build may be granted to the Yogiswara on account of the pious purpose for which the ground is intended to be utilized. The extent required for a path-way to the sacred Thirthas and for the annual congregation of men and cattle, will hardly interfere with the pasture, as Jatras are generally held after the rains when there is not much grass growing. If anything at all, the droppings of cattle may even help the growth of grass. In these circumstances, I recommend that His Highness may be pleased to grant all the three requests of the Yogiswara.

As far as I can judge, the applicant seems

in the practice of Yoga and this application appears to have been made in good faith.
